Visit our Web site

The HCUP-US Web site provides detailed information on HCUP databases, free tools and software, HCUP-related publications, and more.

Take a Tutorial

HCUP has a series of free online tutorials to assist individuals in using HCUP's databases and tools. The interactive sessions are modular, so you can either move through an entire course or access sections that interest you the most.

Attend an HCUP Event

Each year, HCUP hosts a number of online webinars, in-house trainings, and sessions at popular conferences, like the AcademyHealth Annual Research Meeting.
