

Laboratory Results to Be Collected Electronically
AHRQ Project – Minnesota Hospital Association
February 4, 2008

The following list includes all chemistry, blood gas, and hematology laboratory tests to be collected electronically from hospitals participating in the AHRQ project.

CHEMISTRY	BLOOD GAS
AST	Arterial O2 Saturation
Albumin	Arterial pCO2
Alkaline Phosphatase	Arterial pH
Amylase	Arterial pO2
Bicarbonate	Base Excess
Bilirubin Total	Bicarbonate
BNP	FIO2 (if electronic)
Calcium	
C-Reactive Protein	
Creatine Kinase (CPK)	HEMATOLOGY
Creatine Kinase MB	Hemoglobin
Creatinine	INR
Glucose	Neutrophil Bands
Lactic Acid	Partial Thromboplastin Time
Potassium	Platelet Count
Pro-BNP	Prothrombin Time
Sodium	White Blood Count
Troponin I	
Troponin T	
Urea Nitrogen (BUN)
